For My California Customers

I have an assortment of cacti from Texas, containing many interesting species.

TERMS

Cash with order or C. O. D. All plants bare root. Packing free. Shipped express collect unless otherwise ordered. Seeds are post paid.

SEEDS FROM LOWER CALIFORNIA, MEXICO

Present Mexican Government regulations absolutely prohibit the future exportation of cacti fruits and seed. When the supply gathered last spring is exhausted, there probably will be no more to offer.

MEXICAN EXPEDITION

It is very likely that I shall make another extensive collecting trip throughout Lower California this winter. Persons wishing plants must be in a position to secure importation permits from the Plant Quarantine & Control Administration, Dept. of Agriculture, Washington, D. C. It is time to start correspondence regarding this trip.
